
KIMBERLY STANLEY

Curriculum Vitae

FAMILY NURSE PRACTITIONER

Objective: To obtain a full-time position as a nurse practitioner providing evidence- based patient care in an environment that fosters professional development and growth.

Work experience

July, 22 2017 - Present Family Nurse Practitioner

Athens Neurological Associates

I work as an inpatient neurology nurse practitioner at Piedmont Athens Regional. My role is working as an inpatient provider for acute neurological diseases and disorders.

2014 - Present Family Nurse Practitioner

Northeast Georgia Gastroenterology

-I currently work in the specialty of gastroenterology which includes providing preventative care and treatment of gastrointestinal (GI) diseases and disorders. GI diseases include colorectal cancer care (screenings and surveillance), anemia, liver disorders, upper GI disorders, as well as, large and small bowel diseases and disorders.

-Working independently and collaboratively with a GI attending physician.

-Performing physical assessments and using critical thinking skills in order to decide on diagnostic testing and creating plans. This role includes educating patients on different gastric illnesses and dysfunctions.

-Providing patient care in both the outpatient and inpatient settings.

-Prescribing appropriate pharmaceutical agents and treatments for GI illnesses.

2008 - 2014 Cardiac Cath Lab Registered Nurse

Piedmont Athens Regional Medical Center

-Responsibilities included circulating nurse during catheterization procedures to include diagnostic and interventional angiography.

-Administering medications and monitoring patients during cath procedures.

-Measuring cardiac pressures(right and left heart pressures)

-Responding to emergency call involving patients with ST elevation MI's.

-Assisting in pacemaker and internal defibrillation insertions.

1993 - 2008 Emergency Department Registered Nurse

Piedmont Athens Regional Medical Center

-Provided care for patients at all acuity levels including trauma, critical care, to minor emergency care.

-Worked in the roles of Assistant Unit Director for day shift, charge nurse, triage, TNCC certification and staff preceptor. Participated in emergency department process planing and improvements.

-Collaborated with emergency department physicians, advanced practice providers and ancillary staff to provide and advocate for emergency patient care.

Education

2011 - 2014	Master of Science in Nursing - Family Nurse Practitioner <i>Georgia Regents University</i> GPA:3.92
2010 - 2011	Bachelor of Science in Nursing <i>Piedmont College</i> GPA:4.0
